General Motors Allison Hybrid Bus Technology

- Recent announcement regarding equipping 235 new buses for King County Metro Transit and Sound Transit in Seattle in 2004. The annual fuel savings alone from the new fleet will be equal to replacing more than 8000 internal combustion engine cars with hybrid electric vehicles.
- Buses are also being demonstrated in Philadelphia, PA, Minneapolis, MN, Portland, OR, Austin, TX, Salt Lake City, UT, Hartford, CT, Orange County, California, Houston, TX and Newark, NJ
